

## **AURUMIN COMPLETES TENEMENT SALE TO YILGARN IRON**

Aurumin Limited (ASX:AUN) (“Aurumin” or the “Company”) refers to its announcement of 11 September 2025 in relation to the sale of all non-Sandstone Gold assets.<sup>7</sup>

Aurumin is pleased to announce that the sale of three tenements to Yilgarn Iron Pty Ltd (“Yilgarn Iron”), completed on 6 October 2025. The sale of the tenements was completed on the terms as outlined in the ASX release dated 11 September 2025.

The divestment process is supported by Brightstar and **enables Aurumin to rapidly advance the Sandstone Gold Project** without dilution.

The net proceeds raised by the **non-core divestments enables Aurumin to commence drilling and exploration activities** designed to:

- increase the Resource confidence classification of various open pit and underground deposits, including Shillington, Two Mile Hill, McIntyre and Plum Pudding; and
- enable Aurumin to advance the Sandstone Gold Project simultaneously with Brightstar’s Pre-Feasibility Study, ensuring all deposits in the consolidated Sandstone Project are encapsulated within the pro forma PFS.

Aurumin continues to work towards completion of the \$3.5M sale of the Johnson Range and Mt Dimer Projects to Newcam.

### **ABOUT NEWCAM**

Newcam is a private company with a multiple mineral portfolios including, gold and iron ore assets in the Mid-West of Western Australia. Newcam took its Mt Gould Iron Ore mine from the orebody development stage, through to mining, haul and export of iron ore from Mt Gould through the Geraldton Port. With its own drilling and mining fleet, Newcam is a fully integrated mine operator, ready to deploy its experienced team and quality equipment onto new projects.

### **ABOUT YILGARN IRON**

Yilgarn Iron is a wholly owned subsidiary of Yilgarn Iron Investments Pty Ltd. Yilgarn Iron is dedicated to rejuvenating the Yilgarn Iron hub, initially commencing with the restart of operations at the Koolyanobbing Ore Handling Plant by the end of 2025. Yilgarn Iron is well funded and aiming to significantly invest in exploration and resource development to secure a long term and sustainable production future for all stakeholders.

## ABOUT AURUMIN

### Projects

Aurumin Limited is an ASX-listed mineral exploration Company focused on the Sandstone region in Western Australia.

The cornerstone of the **Sandstone Operations** is the **Central Sandstone Project** acquired by the Company in early 2022<sup>2</sup>.

- The **Central Sandstone Project** comprises an **885,800 ounce gold Mineral Resource**, significant project infrastructure and an expanding tenement footprint where the Company aims to support a gold mining operation in the future.<sup>2, 3, 6</sup>
- The Company's **Johnson Range Project** has a Mineral Resource of **64,700 ounces at a grade of 2.51g/t Au**, located midway between Southern Cross and Sandstone.<sup>1</sup>
- The **Birrigrin Project** area was added in late 2022 and is 70km north of the Central Sandstone Gold Project. The Project has 39 mapped shafts dating to the early 1900s with **recorded production grades up to 196g/t Au**.
- In addition to the Sandstone Operations, the Company has a significant landholding at its **Southern Cross Operations**.
- Mt Dimer regionally has a substantial tenure footprint with gold and iron ore potential.
- The **Mt Dimer Mining Tenements** have been divested to Beacon Minerals Limited (Beacon). Historically the Mt Dimer Mining Tenements produced over 125,000 ounces of gold from open pit and underground production of approximately 600,000 tonnes @ 6.4g/t. Aurumin retains a 2% net smelter return royalty on gold production above 12,000 ounces and on all other minerals, and Beacon have released an initial Reserve of 21,100 oz Au.<sup>4, 5</sup>

The Company is actively exploring its tenements to create additional Shareholder value.

## COMPETENT PERSON STATEMENTS

The information in this release that relates to exploration results, data quality, geological interpretations and mineral resources for the Johnson Range Project were first released in the Company's announcement dated 25 August 2021, 9 April 2025 and 15 April 2025. The Company confirms that it is not aware of any new information or data that materially affects the information included in the announcement and confirms that all material assumptions and technical parameters underpinning the estimates in the relevant market announcement continue to apply and have not materially changed.

The information in this release that relates to exploration results, data quality, geological interpretations and mineral resources for the Central Sandstone Project were first released in the Company's announcements dated 16 December 2021, 25 March 2022, 28 April 2022, 2 May 2022, 9 June 2022, 21 June 2022, 11 July 2022, 11 August 2022, 26 August 2022, 5 September 2022, 12 September 2022, 6 October 2022, 31 October 2022, 25 November 2022, 30 January 2023, 23 May 2023, 17 July 2023, 27 November 2023, 3 January 2024, 3 April 2024, 15 April 2024, 22 April 2024, 28 May 2024, 2 July 2024, 18 July 2024, 25 July 2024, 23 August 2024, 10 October 2024, 5 February 2025 and 6 February 2024. The Company confirms that it is not aware of any new information or data that materially affects the information included in the announcements and confirms that all material assumptions and technical parameters underpinning the estimates in the relevant market announcements continue to apply and have not materially changed.

The information in this release that relates to exploration results, data quality, geological interpretations and mineral resources for the Central Sandstone Iron Project were first released in the Company's announcements dated 18 July 2024, 10 October 2024, 6 February 2025 and 11 April 2025. The Company confirms that it is not aware of any new information or data that materially affects the information included in the announcements and confirms that all material assumptions and technical parameters underpinning the estimates in the relevant market announcements continue to apply and have not materially changed.

The information in this release that relates to exploration results, data quality, geological interpretations and mineral resources for the Mt Dimer Gold and Silver Project were first released in the Company's announcements dated 8 December 2020, 22 December 2020, 27 January 2021, 8 March 2021, 22 April 2021, 1 September 2021, 3 November 2021, 17 December 2021, 27 April 2022, 18 October 2023 and 28 December 2023. The Company confirms that it is not aware of any new information or data that materially affects the information included in the announcements and confirms that all material assumptions and technical parameters underpinning the estimates in the relevant market announcements continue to apply and have not materially changed.

## FORWARD LOOKING STATEMENTS

*This announcement may contain "forward-looking statements" and "forward-looking information", including statements and forecasts. Often, but not always, forward-looking information can be identified by the use of words such as "plans", "expects", "is expected", "is expecting", "budget", "outlook", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "believes", or variations (including negative variations) of such words and phrases, or state that certain actions, events or results "may", "could", "would", "might", or "will" be taken, occur or be achieved. Such information is based on assumptions and judgments of Aurumin's directors and management regarding future events and results.*

*The purpose of forward-looking information is to provide the audience with information about Aurumin's expectations and plans. Readers are cautioned that forward-looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of Aurumin and/or its subsidiaries to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Forward-looking information and statements are based on the reasonable assumptions, estimates, analysis and opinions of Aurumin directors and management made in light of their experience and their perception of trends, current conditions and expected developments, as well as other factors that Aurumin directors and management believe to be relevant and reasonable in the circumstances at the date such statements are made, but which may prove to be incorrect. Aurumin believes that the assumptions and expectations reflected in such forward-looking statements and information are reasonable.*

*Readers are cautioned that the foregoing list is not exhaustive of all factors and assumptions which may have been used. Aurumin does not undertake to update any forward-looking information or statements, except in accordance with applicable securities law.*
